

The Certification Body is designated by the Designation Body of the German Kraftfahrt-Bundesamt as Technical Service Category C according to 2007/46/EC for assessment of quality management systems in combination with procedures to assure the Conformity of Production.

Quality Policy

It is the policy of all locations within TSE Brakes, Inc. to:

- Continually strive to meet or exceed the quality and regulatory requirement of our relevant interested parties;
- Utilize a Quality System, based on ISO 9001 (current edition), that supports continuous improvement of the products we design, manufacture and sell, and that will enhance the productivity and safety of our manufacturing locations;
- Strive to comply and continuously exceed environmental improvements set by ISO 14001 Standards;
- Adhere to a high ethical standard of corporate behavior and conduct our relationships with employees, customers and supplier with integrity;
- Communicate the importance of this policy to all relevant interested parties.
